

FAQ - Frequently Asked Questions

If you have any questions, please email them to Like Rent and our staff will answer them and post the most common questions.

Q: I signed up for an account, received an email confirming the registration, now what do I do?

A: You must click on the provided link in the email to activate your account.

Q: I have clicked on the link in the email to activate my account, now what do I do?

A: Follow the steps listed below.

Step 1: Fill in the Login fields under "Site Login" (left column of all pages) using the username and password you chose during the registration. Click "Login" button after the two fields are filled in.

Step 2: Once logged in, a menu will appear under "Submit Listing" section directly above "Site Login." Just click on "Add Property" and a new page will open. Fill in the fields that come up on the new page, submit the information and photos and your property will appear in the database.

Q: Can I post more than 1 rental under my account?

A: Yes, you can post as many rentals under your account as you like. However, each listing must be for a different rental. If duplicate rentals are found, it will be considered spamming and your account may be cancelled.

Q: If I find an offensive listing or one that is discriminatory, who do I contact to notify of this listing?

A: Send us an email by filling in our contact form and list the title of the listing, location, and posted date and describe what you feel is offensive or discriminatory. LikeRent.com does not tolerate offensive or discriminatory listings and will cancel any listings that do not follow our policy. Read more about our policy [here](#).

Q: Can I list vacation rentals or rentals that are less than 1 month long?

A: No. The minimum length of rentals in our database is 1 month. If you are interested in listing vacation rentals we recommend listing it with [A Hawaii Vacation Rental Directory](#) .
